The British Journal of Clinical Pharmacology is a leading international clinical pharmacology journal published by the British Pharmacological Society. It bridges the gap between the medical profession, clinical research and the pharmaceutical industry by addressing all aspects of drug action in humans: invited review articles, original papers and correspondence.

The pharmacokinetics of cannabinoids and the effects observed depend on the formulation and route of administration, which should be tailored to individual patient requirements. As both THC and CBD are hepatically metabolized, the potential exists for pharmacokinetic drug interactions via inhibition or induction of enzymes or transporters. An important example is the CBD-mediated inhibition of

Pharmacokinetics (from Ancient Greek pharmakon "drug" and kinetikos "moving, putting in motion"; see chemical kinetics), sometimes abbreviated as PK, is a branch of pharmacology dedicated to determine the fate of substances administered to a living organism. The substances of interest include any chemical xenobiotic such as: pharmaceutical drugs, pesticides, food additives, cosmetics, etc.

13/09/2021 · Clinical Pharmacokinetics is the major review journal in the area of clinical pharmacokinetics, the study of drug disposition in the human body, which is an integral part of drug development and rational pharmacotherapy. The journal promotes the continuing development of clinical pharmacokinetics and pharmacodynamics, for the improvement of drug therapy and to ...

Clinical Pharmacology & Therapeutics (CPT) is the flagship journal of the American Society for Clinical Pharmacology and Therapeutics (ASCP). Featured in Clinical Pharmacology & Therapeutics Skip slideshow. Association Between FIASMAs and Reduced Risk of Intubation or Death in Individuals Hospitalized for Severe COVID-19: An Observational Multicenter Study. Biological mechanisms ...

09/09/2021 · Lyra Therapeutics Announces Publication of Preclinical Pharmacokinetics and Drug Release characterization for XTreo™ Technology Platform in ...
